

# GETTING CREATIVE WITH FUNDERMAX DÉCOR

This unique façade, which is built using FunderMax Décor 0803 beautifully highlights the corner of the building as an 'accented pylon.' It demonstrates the various ways in which a singular material can be used to protect the fenestration.

**Project Name:** NITTE Meenakshi School of Architecture

**Location:** Bangalore

**Architect:** ACE Group Architects

**Façade Material:** FunderMax Décor 0803

**Application:** Vertical & Horizontal Fins
